Issue No. 23 2024

## Welcome to Bay Tours & Charters Leisure Guide

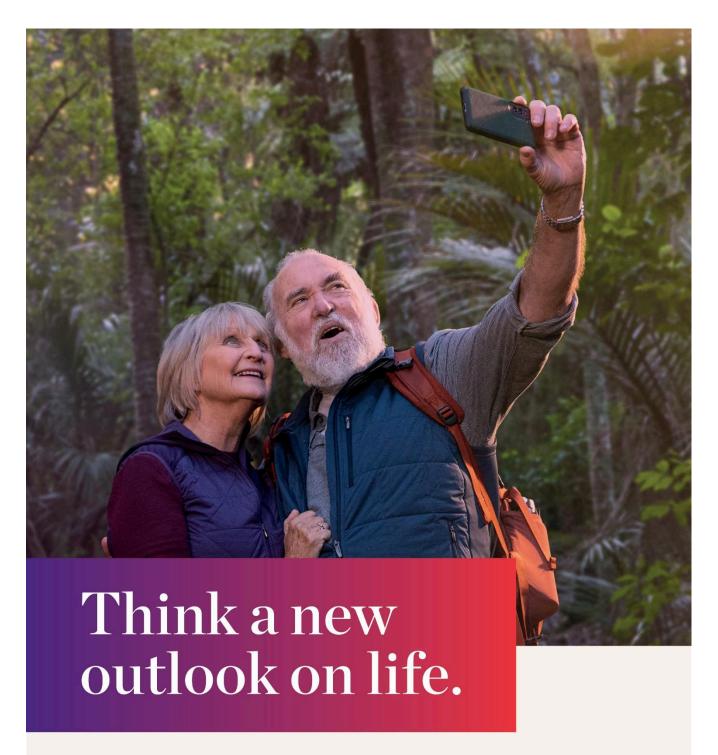

Hello everyone and welcome to another exciting edition of our Leisure Guide as we head into 2024. We all know how difficult the last year has been for many in our region. This has been well documented. But the year's theme here at Bay Tours has been one of continued re-expansion, despite the challenges we've all faced. Some of you may have already met **Kevin England**, our now new(ish) **General Manager**. Ken and I have known Kevin for many years and his commercial

experience and business acumen is already proving its worth for Bay Tours, and his brief of taking oversight of the day-to- day operation is freeing Ken and I up to focus on growth. I want to also welcome **Kayley O'Gorman** to the role of **Tour Club Co-ordinator**, she will likely be the first person you encounter when you call us or visit. As I write this Kayley is in only her second week with us but is already coming to grips with our systems and her bright personality is a pleasure to have around. Kayley and Kevin carry on our tradition of having a bewildering number of office staff with names starting with 'K'.

Ken (oh, stop it!) and I rolled the dice and took a cruise in October - in part to get a feel for where the industry was in its return after the pandemic. We were delighted with the experience, and it has prompted us to look at putting a cruise back into the Tour Club offering. I know some members have been looking forward to a return of a cruise tour. We've successfully completed many tours in the second half of 2023 – not least being our most 'far reaching' NZ mainland tour - South Of The South. Peter and Katrina hosted this exploration of NZ's deep south, including Stewart Island, and everyone enjoyed amazing southern hospitality and stunning weather. Luxury Lodge Lunches and Wonderful Waikato Gardens were both recent successes with Tim's horticultural background adding extra value to the latter. There have been plenty of wonderful Day Trips out and about recently and you can look forward to plenty more of them in this issue as well. Also look out for the return of the much-anticipated Exploring Blenheim To Christchurch tour, which includes the exciting Coastal Pacific train. Sticking with trains, look for the River City Steam Train tour in February. Because who doesn't love a steam train, right? We take our Luxury Lodge Lunches series to a new level with our Capital & Country Luxury Dining tour and for the ultimate indulgence look for A Luxury Weekend At Treetops Estate. We continue to place a strong emphasis on supporting local people and businesses. Look for the orange sun logo again in this issue. This signifies a Day Trip in which we stick exclusively to Hawke's Bay destinations that continues the 'Local Support For Local People' spirit. We also continue to say "Thank You!" to our Patron Members with a couple of Patron Only lunches and also look for the strongly discounted Patron Special Price in green on a few trips too. So, as always, there's a lot going on in this

Ken and I would like to, on behalf of all the Bay Tours team, wish you a happy holiday season and a bright and healthy 2024.

issue.

## ★ Tour No. 110 Celebrating Wairoa

Date Wednesday 10<sup>th</sup> January Times All collected by 7.30am

Cost Patron: \$165.00 Member: \$185.00 Payment Full payment upon booking please

Price includes Door to door transport, morning tea, lunch

The well publicized difficulties that continue to be faced by our friends in Wairoa, in the aftermath of Cyclone Gabrielle and other weather events, is heartbreaking. So, we've created a trip to highlight some of the great things that continue to happen in the north of Hawke's

Bay and to show our support for a town that has often fed and

watered Bay Tours groups over the years. (Pssst! Bring your wallet!). After morning tea at beautiful **Lake Tutira** our scenic drive will no doubt take in some of the new elements of the roading that have changed since our last visit prior to the cyclone. Our first stop in the district is north of the town at **Lake Road Lavender**. Here Fran,

the owner, has 2000 lavender bushes thriving without the use of sprays or other chemicals. Her range of oils, creams, balms and soaps is amazing, and Fran will give us a guided tour of her operation. We return to town and a riverside lunch – courtesy of legendary **Oslers Bakery** – with an opportunity to take a wander though town. After lunch we head out towards the mouth of the Wairoa River and **The Limery** where, on 10 acres, Dianne Downey and Paul Hyslop grow 4,000 lime trees across four varieties. What makes **The Limery** different is that they're not simply a grower selling to another packhouse operation. Dianne and Paul have invested in their own juicing operation with great success.

Featured on Country Calendar back in 2021, they are selling their juice to restaurants, bars and other outlets across New Zealand. And fostering the employment of locals in the process. These businesses, along with many others in the district, are vital to Wairoa's recovery and we're delighted to highlight and support their efforts. Come and lend your encouragement.

## ↑ Tour No. 208 The Sunflowers of Pahiatua

Date Thursday 8<sup>th</sup> February
Times All collected by 9am

Cost Patron: \$185.00 Member: \$205.00 Payment upon booking please

Price includes Door to door transport, lunch, sunflower field entry

Anyone who has ever driven past a field of sunflowers knows what an incredible sight it is. There's something about these tall, elegant, halo-headed plants that speaks to us. The season for sunflowers is very short here in Hawke's Bay, but we think a little time spent in a field of these golden beauties is good for the soul. **Mangamaire Sunflower Field**, south of Pahiatua, featured on an episode of Country Calendar in 2023 and was an idea hatched out of nowhere. Abbe, who owns the field with partner, Emile, has lots of random ideas and this one just kept coming back to her. Living on a busy road, and often crossing stock over the road, she noticed that rarely did anyone adhere to the

70km/hr speed limit, stop (or even slow down) at the intermittently used railway crossing. Of course, she had to be creative in thinking how she could slow everyone down. So, Abbe set about bringing the Sunflower Field to life, with a few of her own wild farm kids in tow. Early mornings and late evenings, hand sowing, hand weeding, and then hand picking meant over 4000 people were warmly welcomed onto their farm over 12 days in early 2022. By their 2023 season, with a field over twice the original size, they had over 6000 visitors in a slightly longer 28 day season. All to view the incredible live exhibition that the **Mangamaire Sunflower Field** is. With two seasons now under their belt, Abbe, Emile, and their great team have huge plans for the 2024 season. And Bay Tours invite you to seize the moment and be part of it. We'll enjoy an 'off the main drag' scenic drive to the **Tui Brewery** at Mangatainoka for lunch. Then we head to Mangamarie to meet Abbe and spend some time wandering amongst the sunflowers and generally enjoying the ultimate summer vibe. Join us for a unique celebration of summer.

It's been four years since we last experienced the riotous and hilarious production of a **William Shakespeare** play presented the way the playwright himself envisioned it. After the pandemic saw the demise of the magnificent **Pop-Up Globe Theatre** building in Auckland – built

to perform The Bard's plays in the irreverent and thoroughly entertaining style of the original productions – we feared that was the end of this kind of audience-friendly rendition of the **Shakespeare** classics. BUT THEY'RE BACK! The man behind the original idea, Anthony Harper, has got the band back together to perform perhaps the greatest love story ever told – *Romeo & Juliet*. And this time in the deluxe surroundings of the **Sky City Theatre**. In characteristic **Pop-Up Globe Theatre Company** style, the stage is surrounded by the audience on three sides. With a beautiful Jacobean set and costumes, music, fights and dance, beauty, bawdiness and smut – just as **Shakespeare** loved it. With the lights up across the theatre so everyone shares the same space, a cast including names and faces you know and love and some of the most famous words ever written, this is entertainment at its most enjoyable. And this time with the luxury of a comfy seat! This'll be a small group overnight trip to **Auckland** for opening night. Don't miss this chance to experience this unique theatre event.

steam train & paddle steamer

We're so excited to not only reunite with our friends at Steam Incorporated - a wonderful group of train restorers based in the Kapiti Coast - but to also revisit perhaps the best vintage rail experience to be had in this part of New Zealand. This summer join us on a vintage train excursion to the beautiful river city of Whanganui pulled by the legendary 'Ja 1271' locomotive, renowned for its speed and strength. This epic celebration of steam will also include a cruise up the Whanganui River on the extraordinary 19th Century coal-fired paddle steamer

Day 1: This morning we make our way to Palmerston North to meet the vintage train as it sits, hissing and spitting, at the platform - seemingly straining to be let loose. We've secured a beautifully restored carriage to ourselves, with outside viewing platforms at each end so that you can enjoy all the sounds (and smells) of the steam age as well as the summer sun. Be amazed at the number of people who stop their cars, or come out of their houses, just to wave to this huge 'Iron Horse'. We'll race across the Manawatu and Rangitikei countryside enjoying the unique views that only rail travel can provide, whilst the thundering beast at our head gobbles up the miles. After the amazing scene of us crossing the railway bridge over the surging Whanganui River, we disembark and enjoy an altogether more tranquil steam experience as we board the fully restored paddle

steamer 'Waimarie' and learn how travel was on NZ's first superhighway 120 years ago. We then return to our train and rumble back down the line to Palmerston North where we'll overnight after our exciting day.

Day 2: A very leisurely start to our Monday morning in Palmerston North. Enjoy a lie in at the hotel or wander to the shops and enjoy lunch in town before we depart and make our way back to the Bay in the afternoon.

This is a wonderful opportunity to trip back to the halcyon days of 'Big Rail' when steam was king and New Zealand had a railway system to be proud of.

This will be a hugely popular event, so book early to avoid disappointment.

In early March 2024 Bay Tours will spend 13 Days exploring this incredibly diverse place with all four points of the compass covered and loads in between. Here's just a taste of what our exciting itinerary has to offer;

Day 1: Our tour begins with an afternoon flight to Auckland where we overnight ready for our flight to **Tasmania** in the morning.

**Day 2:** This morning we take our direct flight from Auckland to Tasmania's capital city, **Hobart**. And after an orientation tour of the city, we settle into our base for the next four nights, the centrally situated and exciting new **Crowne Plaza Hotel** with stunning views

of the city and harbour and rooftop restaurants & bar.

Day 3: Today we head south of Hobart, following the D'Entrecasteaux Channel, through the beautiful **Huon Valley** to visit the seaside town of **Margate** which offers shopping with a real difference. Then it's on for lunch at **Crawleighwood**, a private garden renowned for its maple woodlands and ancient Gondwanaland plantings. Later we visit Hobart's historic **Shot Tower**.

**Day 4:** A **FREE DAY** to explore **Hobart**, Australia's second oldest city, at your own pace. You may want to join your Tour Hosts at **Salamanca Markets** in the morning.

**Day 5:** We spend today at historic **Port Arthur Convict Settlement**, site of one of Australia's most notorious penal colonies. A guided tour and short harbour cruise provide different perspectives on the convict past. We also visit picturesque **Eaglehawk Neck** and **Pirates Bay**.

**Day 6:** We say "Farewell" to Hobart, for now, and head northwest climbing onto the **Central Plateau**. Amaze at **'The Wall In The Wilderness'**, an astonishing work of art depicting the history of Tasmania's Central Highlands. Notice the changing landscape as we descend the Chamouni Valley to the copper mining town of **Queenstown**. Finally, we arrive at **Strahan Village** on the west coast, our home for the next two nights.

**Day 7:** Today we board the giant 'Spirit Of The Wild' catamaran to cruise across **Macquarie Harbour** and up the **Gordon River** into the heart of Tasmania's wilderness. Ancient sassafras and myrtle rainforest lead us to **Heritage Landing** where we can go ashore amidst this incredible environment. After lunch onboard we voyage to **Hell's Gates** past **Sarah Island** – the worst convict settlement of them all. A full day's cruising concludes back at **Strahan** where there's time to explore the village before dinner.

**Day 8:** Continuing north we arrive at **Cradle Mountain National Park** and enjoy a guided 4WD tour including **Dove Lake** and **Waldheim Chalet** before we resume our journey towards the northern coast through mountains and grass plains to our hotel in the coastal town of **Smithton**.

**Stanley** nestled at the foot of an ancient volcano. Time to explore the town here & perhaps take the chairlift to the summit. Now we begin to head eastward across the northern coast of the island towards **Launceston**, Tasmania's second city. With its elegant Victorian

architecture and century-old parks, the city has one of Australia's best preserved early cityscapes. Dramatic **Cataract Gorge** is another highlight. Tonight, we stay at the elegant **Country Club of Tasmania**.

**Day 10:** This morning we follow the Tamar River north to the quaint Swiss-style village of **Grindelwald** then on to the fascinating **Mine & Heritage Centre** in the gold mining town of **Beaconfield**. After a guided tour we continue our exploration eastward through the former tin-mining towns of Scottsdale and Derby. We stop to admire the famous **War** 

**Memorial Tree Carvings** at **Legerwood** before dropping down to the east coast and our overnight accommodation at pretty **St Helens**.

**Day 11:** Following the white-sand beaches of the east coast we head south visiting **East Coast Natureworld Wildlife Sanctuary** at **Bicheno** where we'll encounter the famous Tasmanian Devil, Wombats, Echidnas, Kangaroos & Wallabies as well as native birds and reptiles. After lunch we carry on south past 'Gulch' fishing harbour and ocean blowholes

finally crossing the **Derwent River** back into **Hobart** from the east, checking back into the **Crowne Plaza Hotel**.

**Day 12:** After all our travelling, your day is **FREE** to relax and re-charge in, now familiar, Hobart.

**Day 13:** No visit to Hobart would be complete without a ferry trip up the Derwent River to **Berriedale** and the amazing **MONA** (Museum of Old and New Art). Created by the unconventional businessman and art collector, David Walsh, this

complex of breathtaking architecture combines museum, art gallery, restaurants, music venues and open spaces that will captivate and engage you.

**Day 14:** Today we say our final farewells to Hobart and Tasmania and fly back to **Auckland** where, due to time differences, we must spend one more night before heading home to **Hawke's Bay** the following morning.

Forget what you think you know about Tasmania. This tour is the ultimate opportunity for visitors to this island jewel, to get under the skin of the place and connect with what matters. Couple this exciting itinerary with the reassuring level of care, service and attention to detail that familiar travelers have come to expect from Bay Tours and 'Exploring Tasmania' is a must-do experience. Kerren & Ken, Bay Tours owners are excited to host you on this trip.

The Puketapu, Rissington & Patoka districts were hit hard by the effects of Cyclone Gabrielle back in February 2023. Nick & Nicky Dawson farm - along with their son, Ben, his partner Molly and their daughter, Libby – along Waihau Road at Patoka. As well as the bridge at Rissington being washed out, their Waihau Road bridge was

damaged making road too, access impossible for a long time. But the younger generation are determined to come back

strongly and have invited us to come out for morning tea and see how things have changed and progressed in this district of beautiful rolling hill country farms. We'll drive out to them via the

Dartmoor area and check on how that district's recovering. Like many other farmers around the country, a significant event like a cyclone has caused them to think about resilience and diversifying and they see opportunities in 'Agri-tourism' as another string to their farming bow. We'll take a look at what they have in mind. After our visit we'll head over to The Puketapu Hotel - another business devastated in February and now on the comeback - for a delicious lunch before returning to town. This will be our first foray up Puketitiri Road to the Rissington & Patoka area for a while and the drive and vistas are always stunning. Join us as we show our support for more locals as they build back.

We're very excited to present the summer edition of this very popular long-standing series of lunches where we enjoy a different course at three outstanding eateries in our region. This time we have two brand new restaurants featuring with the third being a favourite with superb waterfront views. And coincidentally, they're all in Napier, in fact two are neighbours. We start at Casa Ahuriri restaurant, in the building that used to house the now closed Speights Alehouse, on West Quay. Kerren and Ken enjoyed a superb dinner there recently,

soon after it had opened, and thought "The Tour Club would love this!". We'll enjoy a delicious Italian inspired **Entrée** here and, unusually, we'll be walking to our next venue - because it's right next door at **The Gintrap**. Describing themselves as a Gastro Pub, these guys have been delivering wonderful food and jawdropping waterfront views for years now. We'll enjoy our Main course here before taking a short coach ride into town and to **K Kitchen & Bar** in the Masonic Hotel building on

Marine Parade in central Napier. It's so good to see this wonderful space back to its best and with very experienced restaurateurs at the helm. A perfect spot to enjoy our **Dessert**. Part of the charm of these **Progressive Lunches** is the opportunity to try new eating places and this edition really delivers. As always, a fun-filled day to be had by all.

Returning WWI soldiers were balloted land in the isolated Mangapurua Valley. But with no road access the hard life and meagre income that the rugged land offered up was near impossible to endure. Through the 1920s many of the families up the valley simply walked off their land. And by the time the government got around to completing the promised permanent bridge across the stream in 1936, finally giving road access,

there were few families left farming there. When funds for the maintenance of the road to

**Payment** 

the bridge were declined in 1942 the remaining families packed up and left. In the decades since, the bush has reclaimed the farmland and the road in as well. Only the pristine bridge, now seemingly sitting in pristine wilderness, remains as a reminder of human occupation. Here's a summary of our trip into this 'other-worldly' place;

**Day 1:** We leave Hawke's Bay via the 'Gentle Annie' route from Omahu. We'll stop for a cuppa at **Kuripapango** before climbing the Annie into the Inland Patea and on towards Taihape. After lunch in **Waiouru** we pass through **Tangiwai** and arrive in **Ohakune** and the wonderful **Powderhorn Chateau**, our base for the next two nights.

**Day 2:** This morning we drive through **Raetihi** and descend to **Pipiriki** on the banks of the **Whanganui River**. There our local guides will meet us and we'll board jet boats and head upstream taking in the majestic scenery of the river and enjoying the stories and anecdotes of our experienced hosts. After nearly an hour travelling up the river we arrive at the **Mangapurua** jetty to begin the beautiful 40 minute walk that follows the stream and bush into the structure that has come to be known as '**The Bridge To Nowhere**'. We'll enjoy lunch here listening to tales of the history of this place and the unforgiving land. There'll be lots of time to explore before we begin the walk back to the river and our jet boat journey back downstream. On our return to Pipiriki we board our coach and return to our hotel. Perhaps a soak in their hot pool to ease weary muscles.

**Day 3:** We say farewell to the Waimarino District and begin our journey homeward enjoying the stunning vistas of **National Park** and the central plateau. A picnic lunch on the shores of **Lake Taupō** concludes our encounters with NZ's natural wonders before we return to 'the Bay'. This journey into one of the most remote parts of the North Island will visit places barely, and only briefly, touched by human habitation. The nature of this tour means places are strictly limited. Make sure you don't miss out.

With the promise of a long summer ahead, here's a day for all those who love the sand between their toes and a paddle in the sea. We'll visit not one, not two, but **FOUR Hawke's Bay beaches** – each a little different from the other. Our first visit is to beautiful **Kairakau Beach**, east of Elsthorpe. We'll have morning tea here before we jump over the hill to **Mangakuri Beach**. Like so many beaches along our east coast, Mangakuri was the site of the station shearing shed and

the wool bales were rowed out over the surf to coastal freighters waiting offshore. Next, we make our way to historic **Pourerere Beach** for a picnic lunch and a wander on the

sand of the longest beach we'll visit today. Our final beach is **Aramoana** where the Victorian era McHardy homestead still stands proud as you drive into the settlement and the station's original woolshed sits right on the beachfront. We'll stop for an ice cream on the way home and after such a magic day along the Central Hawke's Bay coast, we'll need no rocking tonight.

The common thread of our annual two-wheeled odyssey in 2024, which will be in the North Island this time, is 'waterside wandering'. The Waikato, Tongariro and **Ohinemuri** rivers, together with gorges, inlets and coastlines are the backdrop to our cycle trail in late summer. An important distinction about our cycle tours away is you get to take your own bike. Yes, we will transport both you and your beloved bike so that you have total confidence and familiarity throughout. And as is

customary on these tours, the actual time in the saddle on riding days will vary between 2 and 4 hours of gentle cruising interspersed with stops along the way. It's such a unique way to explore a place. Few cycle tours we've enjoyed over the last 8 years have delivered such diverse scenery and contrasting surroundings as this tour will. Meandering and thundering rivers, pristine lakes and estuary eco-systems are all part of our experience in 2024. Soaring rural vistas and thrilling cityscapes await. Come and experience the warm camaraderie and infinite variety of a Bay Tours Cycle Trail tour. There really is nothing like it for a shared biking experience across our glorious country.

On this tour we will drive perhaps the three most magical and mystical roads in the central North Island. Over 4 Days we'll traverse Hawke's Bay's own 'Gentle Annie' road across the vast Inland Patea between Napier and Taihape, the Whanganui River Road from the settlement of Pipiriki to Whanganui City itself and the 'Forgotten Highway' which stretches from Stratford to Taumaranui. With plenty to excite us along the way. Here's the plan;

Day 1: Departing Napier we drive through Omahu and Sherenden on our way to **Kuripapango** for a cuppa by the river before we climb the Annie and make our way across the plateau. This is such a beautiful drive as we pass some of the remaining North Island high country stations such as Ngamatea, Black Hill and Timahanga. After lunch we'll be making a very special visit to Rita & Dave Hammond who farm outside Ohakune and recently featured on 'Country Calendar' with their Sustaina Grow business utilizing

rough wool in garden planting and soil insulation products. It's a brilliant concept which we want to support. Ohakune is our last destination today and the welcoming Powderhorn Chateau where we spend our first night.

Day 2: This morning we descend down to the Whanganui River, via Raetihi, arriving at Pipiriki. Here we temporarily leave the coach and take a jet boat up this magical waterway through 'The Gorges' with Ken (a different Ken, who has spent

his whole life on the river). He'll share some of the stories about this part of New Zealand's first highway before we return to Pipiriki and begin our drive down the River Road. We'll enjoy a picnic lunch at the beautiful St Joseph's Church at Jerusalem. After lunch and time spent exploring, we leave Jerusalem and continue south along this stunning scenic road, stopping at various points of interest, before making our way to our accommodation in Whanganui itself.

Day 3: We leave Whanganui behind this morning and head north through Patea and Hawera to **Eltham**. This is well and truly cheese country with multiple cheese factories in the town. We'll visit the Eltham Cheese Bar for a wee pre-lunch tasting of their wares before we stop at the excellent **Taranaki Pioneer Village** for lunch and a wander. Before we begin our drive of the 'Forgotten Highway' we can't leave Stratford without taking a look at the famous Glockenspiel playing. Then we're off down the mystical highway with, hopefully, views of both Mt Taranaki and the three mountains of the Central Plateau. Don't be surprised if we're the only vehicle on the road as we pass emerald-green rolling pasture and thick stands of bush. We arrive at the Independent Republic of

Whangamomona where we'll spend the night amongst the locals at the legendary hotel of the same name.

**Day 4:** We rejoin our trip along this iconic route towards Taumaranui, stopping at Lauren's **Lavender Farm** for morning tea continuing on through Manunui, Kuratau and Tokaanu to our lunch stop on the shores of **Lake Taupo**. In the afternoon we follow the lake and head down SH5 and home.

The 'Grand Circle' clockwise route of this tour will take us through some of the most remote country in the North Island. Places barely touched by the modern world. This is rare in the 21st century and that will be an adventure to be savoured.

Book your place and get ready to be amazed!

This is a tour that has its origins back in late 2021. Circumstances since then have meant it wasn't possible until now to pull the many elements of this exciting tour together. Over 9 days we will focus squarely on the north-east of the South Island with Marlborough as our northern boundary and **Christchurch** further south with a lot going on in between. The **Hurunui** district features heavily and we look forward to showing you some

wonderful places that you haven't been before or perhaps you're returning to a favourite spot from the past. Here are some highlights;

Day 1: A relaxed mid-morning departure from Hawke's Bay sees us overnight in **Wellington** in preparation for an early **Interislander** ferry sailing the following morning. Day 2: The Marlborough Sounds are the gateway to our day this morning. After a quick stop for lunch in Picton, we continue our road trip south through, first Blenheim, then Seddon and Ward towards Kaikoura. This is an opportunity to see, close-up, the extent of the massive engineering works that have taken place on the coastal highway since the devastating 2016 earthquake. We'll stop at the remodelled Ohau Point Seal Colony -New Zealand's largest - then it's on to Kaikoura and the brand new Sudima Kaikoura **Hotel** and a night in this wonderful seaside town.

Day 3: We head to the 'Whaleway Station' to check-in for our morning out on the water with Whale Watch Kaikoura. This part of the NZ coastline is one of the few places in the world where Sperm Whales can be seen close to shore all year round. The 3km deep Kaikoura Canyon just offshore ensures an abundance of food that attracts Humpback

Whales, Southern Right Whales, Pilot Whales, Minke Whales, Orca and even the largest animal to have ever lived on the earth - the Blue Whale. We will see any mixture of these up close, together with loads of other sea creatures. After lunch we take the legendary Inland Road showcasing incredible scenery with the St James Range as a backdrop. We cross the regional boundary from Marlborough into

Canterbury, through the pretty villages of Waiau and Rotherham, before we arrive at the historic Hanmer Springs Hotel. This will be our base for the next two nights.

Day 4: Today we explore deep into the Hurunui district with the rare opportunity to visit two 'Gardens Of National Significance'. Our first visit is to Coldstream at Culverden which sits in the giant Amuri Basin. We'll enjoy a cuppa with owner Vicki Collett who'll tell us about, and show us around, her mature garden of 2 acres which surrounds the house built of Oamaru stone. Then it's on to the village of Hawarden and the magnificent

country garden called **Flaxmere** which has been recognised by the Royal NZ Institute of Horticulture for 50 years. We'll have lunch here as well as being shown around this awesome property. We then return to Hanmer Springs with time, perhaps, for a soak in the famous **Hot Springs** before a very special dinner.

Day 5: This morning we continue south through the Waipara and Waimakariri districts and on to explore the south of Christchurch city. Firstly, with a ride to the top of the Port Hills on the Christchurch Gondola and a cuppa at the café at the top. Then we'll drive through to Lyttleton for a look around, before venturing further around Governors Bay to the historic Otoromio Hotel for lunch. A real treat

awaits us this afternoon – a visit to the internationally acclaimed **Ohinetahi**. Home of renowned architect, the late Sir Miles Warren. Originally established in the 1850s, the house and garden were purchased and re-designed by Sir Miles, with his sister and brother-in-law, in the 1970s. And this magnificent property still sings today. We return to the centre of the city and the stylish **Fable Christchurch Hotel**.

**Day 6:** Today is a **FREE DAY in Christchurch** for you to relax and do whatever you want. Our hotel is right in the middle of the city and literally has the City Circular tram route flowing through the middle of it. We'll arm you with a Day Pass to help you explore and discover the latest exciting additions to Christchurch's new city centre.

**Day 7:** This morning we're up early to board the **Coastal Pacific Train** to **Picton** for a very different perspective of the coastal landscape. The huge panoramic windows and expert staff onboard will make sure you don't miss a single moment of this incredible journey along the Pacific Coast as well as rolling back-country vistas and views of incredible feats of civil engineering. River bridges, viaducts across gorges and tunnels through mountains, these are all part of the exciting **Coastal Pacific** experience. But the day's

excitement doesn't end when the train pulls into **Picton**. We then take to the water for an amazing cruise of **Queen Charlotte Sound** and a chance to try the myriad of seafood farmed along its shores and in its coves. Phew! What a day to stimulate the senses. We overnight in **Blenheim** tonight.

**Day 8:** Our day starts with a visit to magical **Longfield Estate Garden**, nestled amongst the vines of the Wairau Valley. The charm and elegance of this structured European-style garden has created a soothing tranquility and the owners, Lynne and Rob Hammond, will host us and show us around their labour of love. Then it's time to head north and rendezvous with our Interislander ferry across the **Cook Strait** and back to Wellington and our favourite **Copthorne Oriental Bay Hotel** to lay our weary heads.

**Day 9:** We make our way home to the Bay today, but not before a stop in **Palmerston North** for lunch and a chance for some retail therapy.

In exploring the Marlborough, Kaikoura, Hurunui, Waimakariri and Christchurch districts, using various modes of transport, and taking a variety of routes, we gain a more complete view of a part of the country often traversed, yet overlooked. An incredibly diverse landscape, an amazing array of activities and people showing the best of old-fashioned hospitality, will be the hallmarks of this fabulous tour.

Come and enjoy a uniquely Kiwi view of this wonderful part of New Zealand.

This classic tour has become something of a Bay Tours institution. The experience of driving through New Zealands' largest farm – nearly 450,000 acres spanning a major part of the upper South Island is a kiwi rite of passage. The stunning scale and rugged beauty of Molesworth Station together with another neighbouring giant, Station with its latticework of pristine lakes, is contrasted by the alpine tranquillity of the village

of Hanmer Springs where we'll be based. Another stark contrast to the impression of permanence of Molesworth can be seen when we visit Woodchester Station where the effects of the Kaikoura earthquake will astound you. A FREE DAY in Hanmer Springs itself allows you time to relax or explore this beautiful alpine village between our big station

Day 1: We depart Hawke's Bay Airport this morning and head for Christchurch. There we'll be met by our local guide, Mark Gilbert. Mark's company, Molesworth Tours has 40 years experience guiding into the Molesworth and Rainbow back country and has been leading Bay Tours trips through the area for more than a decade. Mark will collect us from the airport and we'll drive north towards Woodchester Station, east of Hanmer Springs and nestled in the shadow of the St James Range. We enter Woodchester itself along the 6km driveway. Here the Kelly family will host us for lunch and show us some astonishing evidence of natures' power which has transformed their lives forever. Later in the afternoon we make our way to Hanmer Springs and our superb centrally located base, the cozy Drifter's Inn where hosts Adele and Andy MacLeod will look after us for the next four nights.

Day 2: Today we're collected by Mark in a special 4WD mini-coach and we head over Jack's Pass and into the Clarence Valley and Molesworth Station. We'll visit iconic points on the massive station such at the 150yo Acheron Accommodation House, **Isolated Flat** with its hundreds of acres of rippling clover and tussock grass, and the main central homestead complex with its century old cob buildings. Cattle share the sides of the sparkling rivers with Canada Geese and Paradise Ducks. It's difficult to prepare yourself for the sheer vastness and beauty of the place. Passing through sections of the Muller and Tarndale Stations on the way back, we descend back into Hanmer Springs again via the rugged **Jollies Pass**. A day heavy with memorable moments.

Day 3: There's time to relax and reflect on yesterday as you have a FREE DAY in Hanmer Springs today. Explore this beautiful alpine village with its many bush walks, wander the tranquil grounds of the old Queen Mary Hospital with its historic buildings or enjoy a soak in the pristine thermal Hot Pools of the spa which gives the town its name. Tonight, we'll dine together at the hotel.

**Day 4:** Today we're back with Mark as we again climb Jack's Pass but, this time, we head west up through the former **St James Station** and into the Spenser Range to **Lake Tennyson**. We'll drive over **Island Pass**, the highest in the country at 1300 metres,

before descending into **Rainbow Station** itself. Craggy beech-covered mountains sweep down to the boulder-strewn rivers that bisect the valleys. Remarkable for its transitioning landscapes, Rainbow Station is much smaller than Molesworth in area at a 'mere' 20,500 acres. Usually carrying around 14,000 head of stock – a mix of sheep and cattle this time - its diversity of terrain and climates has made its productivity legendary. What a contrast.

**Day 5:** We depart Hanmer Springs this morning and make our way back to **Christchurch Airport** but not before a visit to **Iron Ridge Sculpture Park** on the banks of the Waipara River. Here sculptor Raymond Herber has, over 20 years, transformed a former limestone quarry into a huge, stunning, exhibition space like no other. Then it is on to the airport where, after a late lunch, we catch our flight back to 'the Bay'.

**Molesworth**, **Rainbow** and **Woodchester Stations** make up a land truly alive with the evocative atmosphere of stockmen and shepherds, dogs and drovers, slough hats and well-worn saddles. It's a landscape of extremes and of the real cowboy, even today, and what an adventure it is to get a glimpse of their way of life and to meet some of the people continuing the legacy.

Places on this tour are extremely limited so do not hesitate in securing your spot.

Following the runaway success of our first post-cyclone 'Support Dinner' at **Valley D'Vine** restaurant in **Esk Valley** last September, the outstanding evening of food and fun prompted calls for a repeat. It's been one of our favourite dining destinations for a number of years, not least because it's owned and run by the talented and irrepressible chef, **Greg Miller**. Over the years Greg has been a staunch supporter of, and fundraiser for, his local and regional communities. This has, for us here

at Bay Tours, always been yet another reason - as if another were needed - to scurry

along to **Valley D'Vine** whenever we could. We're delighted to offer our support again for one of the hubs of the decimated community of **Esk Valley** who continue to need our support more than ever. So, for those who missed out on such a great night last time and to those of you who enjoyed yourselves so much the first time around, come and indulge in a 'D'Vine' **3 course dinner** from one of our regions most lauded chefs. Join us and show your support.

Following the great success of our 'Luxury Lodge Lunches' series over the last few years, we're delighted to present another culinary odyssey in a similar vein. This time we turn our sights to the south and take in five very different dining experiences over Encompassing a wonderful cross-section of luxury dining from the Horowhenua, through our capital city, Wellington, and over the hill into the prosperous Southern

Wairarapa. This is a tour of indulgence and luxury. And it goes like this;

Day 1: We head south for our first foodie encounter for lunch with Ruth Pretty, catererto-the-stars, at her Garden Room in Te Horo. For nearly four decades Ruth and her husband Paul have been the premier caterer for Wellington's special occasions. We'll enjoy a light lunch centred on the kitchen garden, paddocks and orchard that make up their rural property. From there we continue into the city and settle into our **Wellington** hotel before heading to the heart of power dining in the capital, **Bellamy's** at the Beehive. Now run by the team at Logan Brown, one of Wellington's perennially lauded restaurants, Bellamy's has been the venue where Members of Parliament can host guests and plot with and against each other since 1854 - whilst still being within earshot of the summonsing bells of The House. The Logan Brown team have added the elegance and sophistication our parliamentarians sometimes lack. An amazing dinner is in store.

Day 2: A relaxed start to the day sees us make our way over the Remutaka hill and follow the road around Lake Wairarapa to one of New Zealand's finest, and remote, luxury lodges. Wharekauhau sits with views over Palliser Bay and is often referred to as 'The Ultimate Farmstay'. Set in a working farm estate of 3,000 acres, the lodge has the grandeur and graciousness of an Edwardian country house. Wharekaukau has established a worldwide reputation for the understated luxury and privacy it offers its guests. We're very excited

to be reunited with our friend and Executive Chef, Norka Mella Munoz, whose culinary talents we've enjoyed in past years at Treetops Estate, Kinloch Manor and Mangapapa. Norka will create a 4-course degustation style menu for lunch showcasing produce grown, foraged and sourced from the farm and neighbouring growers. What a treat!

But the indulgence doesn't finish at lunch. In the afternoon we make our way to the beautiful village of Martinborough and our accommodation for the night, nestled in the heart of The Square, the magnificent **Martinborough Hotel**. Superbly restored to its colonial glory – and beyond, we'll enjoy dinner in the restaurant that screams 'rustic chic' before retiring to one of their beautifully appointed rooms.

**Day 3:** A FREE MORNING to explore the village of **Martinborough** before we head to one of the district's famous wineries, **Tirohana Estate** for **High Tea** in the historic homestead. One of the oldest vineyards in Martinborough, the estate is renowned for the quality of its pinot noir wine and its stylish hospitality. The perfect way to finish our dining experience before making our way back to Hawke's Bay in the afternoon.

Whether you're an enthusiastic follower of all things food or looking for a few days of self-indulgence away from the cares of everyday life, this adventure will restore and refresh you in style. This is a small group tour with limited places available. Book now!

This latest edition of our popular series will see us return to one of our favourite venues, the splendid **Puketapu Tavern** for the first time since it was devastated by Cyclone Gabrielle in February 2023. Remember, this is a team event with each table forming a team to participate in the **Pub Quiz** through lunch. The format is pretty simple. There will be 8 rounds of questions arranged around the lunch courses with each round having a broad category such as 'Geography' or 'Television & Movies'. Peter, our Quizmaster, will ask 10 questions in each round and each team

writes down their answers on the sheet provided. Ken collects each team's completed answer sheet at the end of the round and replaces it with a blank sheet for the next round whilst Kerren tallies the scores. Every few rounds Peter will read out the correct answers

for the rounds just gone and Kerren will update us on the team scores so that everyone has an idea of how they're going. It's huge fun and everyone contributes something to their team at some stage. Prizes and prestige for the winners are up for grabs and there's also spot prizes so everyone's in with a chance. We'd particularly encourage you to come this time around and show your support for our hosts, who are the hub

of the recovering **Puketapu** community. Join us for a great lunch and lots of laughs as the teams battle it out to be **Bay Tours Pub Quiz Champions**.

Once again, Bay Tours are proud to invite you to another wonderful evening of entertainment at the Tabard Theatre in Ahuriri, home of the **Napier Operatic Society**, one of the oldest existing theatrical societies in NZ. Renowned for the quality of their shows, Napier Operatic will, in April, be performing a production of the

legendary 1964 musical 'Fiddler On The Roof'. Set in the little village of Anatevka, the story centres on Tevye, a poor milkman, and his five daughters. With the help of a colourful and tight-knit Jewish community, Tevye tries to protect his daughters and instil in them a sense of traditional values in the face of changing social times and the growing anti-Semitism of Czarist Russia. 'Fiddler on the Roof's universal theme of generational differences cuts across barriers of race, class, nationality and religion and with familiar songs and intricate dances will leave audiences crying tears of laughter, joy and sadness. As always, we'll enjoy dinner at the Tabard before the show. Book your ticket now!

## ★ Tour No. 430 Delights of the Hauraki Gulf

Any discussion about the most picturesque areas of New Zealand wouldn't be complete without including the **Hauraki Gulf** – that body of crystal-clear water that lies off the east coast of Auckland. Framed by Matakana and Whangaparaoa to the north, Auckland's Waitemata Harbour to the west, the Firth of Thames to the south and Coromandel Peninsula in the east, the **Hauraki Gulf** is blessed with many spectacular islands with diverse personalities, histories, climate and geography. From the earliest Maori settlers, through the threat of invasion during the two World Wars to today, the islands and shorelines of 'the Gulf', and

the communities that call it home, portray a unique picture of northern New Zealand. We'll be spending time discovering the distinct characters of three of these islands – **Tiritiri Matangi**, **Waiheke** & **Kawau** as well as two of the Gulf's northern peninsulas,

**Mahurangi** & **Tawharanui.** Each place has its own stories. Here's a glimpse at our itinerary;

**Day 1:** We leave Hawke's Bay and head north to **Auckland** and settle into our hotel.

Day 2: Today we depart from downtown Auckland's historic Ferry Building and cruise, via

**Whangaparoa**, to the island of **Tirtiri Matangi**. Once home to the brightest light in the Southern Hemisphere, the island has become a world-recognised wildlife sanctuary. We'll take a guided tour through the island and learn of its incredibly diverse history and how it has achieved its current wildlife status. Upon our return to **Auckland** we settle back at our hotel full of the sights and sounds of a wonderful day.

Day 3: Today we make for Half Moon Bay and put our

coach onto the vehicle ferry to **Waiheke Island**. The views of the eastern seaside suburbs of Auckland, and other islands in the Gulf are fantastic as we make our way across to Kennedy Point on Waiheke's southern coastline. We'll meander around the island taking in Surfdale, Ostend, Oneroa and Palm Beach before enjoying a wonderful lunch at the stunning **Batch Winery**. In the afternoon we take in Stony Batter and Cowes Bay at the eastern end of the island, before arriving at **Onetangi** and our beachfront accommodation for the night.

**Day 4:** This morning we cruise back to the mainland and enjoy time at beautiful **Mission Bay** before setting off northward, stopping for a wander at historic **Warkworth**. From here we get off the main drag and head for the **Mahurangi Peninsula**, in the northeastern corner of the Gulf and settle into our accommodation for the next two nights at quiet **Snells Beach**.

**Day 5:** Today we explore the district in and around **Tawharanui Peninsula** and Omaha Bay. With miles of pristine white sandy beaches, the area has long been a popular holiday getaway close to Auckland city. First, we'll visit the **Goat Island Discovery Centre** and learn more about the marine life of the Gulf from the scientists from Auckland University. Then we'll drop into the famous **Matakana Farmer's Market** for a look around and a spot of lunch before arriving at one of the most astonishing sculpture parks in New Zealand, **Sculptureum**. Here, owners Anthony and Sandra Grant have displayed their vast, eclectic and larger-than-life art collection across 9 outdoor and indoor galleries at their 25-acre Matakana property. Tonight we are guests for dinner at the **Sandspit Yacht Club**.

Day 6: The day starts as we join the Royal Mail Run cruise to Kawau Island, viewing

the hidden coves and abundant seabird life. One of the largest islands in the Hauraki Gulf, Kawau was, from 1862, the private domain of former NZ governor, Sir George Grey. He built a stately home in what would become known as **Mansion House Bay**. We'll have lunch here and take a look around the historic home as well as wander the ornate gardens and grounds full of weka, wallaby and peacock. Later in the afternoon we return to Sandspit and enjoy a leisurely 'Sunday' drive, following the Gulf's western edge, back to **Auckland** and we'll need no

rocking back at our hotel for our last night on tour.

**Day 7:** After a leisurely start we wend our weary way back to 'the Bay' comparing memories of our wonderful island-hopping holiday as we go.

For many, the opportunity to visit so many parts of this iconic maritime region of New Zealand is rare. This is the tour you've been waiting for, encompassing all the levels of Bay Tours service you've come to expect, and showcasing much of what this northern 'jewel in the crown' has to offer. Join us for an unforgettable odyssey around this island wonderland.

Bay tours are delighted to invite you to experience the feel-good theatre event of 2024. First it was a bestselling book, then a blockbuster movie and now **The Best Exotic Marigold Hotel** is a smash hit stage show and is coming to Wellington from London's West End. It's a story about an eclectic group of British retirees who, not wanting to

inconvenience their families and feeling invisible in the country of their birth, meet each other for the first time at a 'residential hotel' in **India**. The residence is far from the opulent luxury they were promised. But as their lives begin to intertwine, they are charmed in unexpected and life-changing ways. A star-studded international cast are superb and the original stage production features an incredible set that depicts both the exterior and interior of a run-down colonial residence, and imbues it with a

sense of old-world Indian charm. The glorious **St James Theatre** is the perfect venue and we'll overnight at our favourite Wellington hotel, **Copthorne Oriental Bay**. Come join us for a heart-warming reminder that the most important things in our lives are the people we share it with.

## ★ Tour No. 517 Bluff Oyster & Food Festival

One of the many benefits of being an island nation is the bounty we reap from the sea – the kai moana. All manner of fresh fish, shellfish and other seafood are readily available to us. This situation is the envy of most other countries. As commercial fishing and seafood farming has increased, the seasonal appearances of delicacies such as

the Bluff Oyster or West Coast whitebait are even more keenly anticipated. And one of the most iconic celebrations of all thing's seafood is the annual **Bluff Oyster Festival**. But the festival is about much more than just the humble oyster. All manner of seafood and other 'wild' foods are celebrated and presented in ways you never dreamed about. So much of the southern economy is tied into the sea and we're going to celebrate with the locals in 2024 given this festival has been cancelled due to covid and unforeseen circumstances for the past 2 years.

**Day 1:** First day of our adventure we'll fly from Hawke's Bay to **Invercargill** and settle into our accommodation at the **Ascot Park Hotel**.

**Day 2:** Today is the day of the **Bluff Oyster & Food Festival** itself. Imagine an abundance of oysters (surprise, surprise), pāua, salmon, blue cod, mussels, crayfish and whitebait. Add local wild venison, muttonbird, wild pork and escargot (yep, that's snails!) and this is a festive feast like no other. One year a stall even offered the traditional Southland cheese rolls with crayfish!! We'll transport you to and from the festival grounds. **Day 3:** We visit **Transport World** in the morning. Still privately owned, this temple of transport pays homage to all manner of motor vehicle and a lot else besides. It's absolutely

world-class in its scale and presentation and there's definitely something here for everyone. After lunch at their café your afternoon is free time. Perhaps a walk through beautiful **Queens Park**, solve a mystery at **Solve It And Escape**, or bring out your inner child in the worlds' biggest sandpit at the controls of real diggers and bulldozers at **Dig This**. There's certainly plenty to see and do in this most southern city in

the world.

Day 4: We make our way home after a superb weekend in the deep south.

The **Bluff Oyster Festival** celebrates all things Kiwi and is an event not to be missed. Places are limited so book now.

Our own born and bred Southlander and oyster fanatic, Ken, now living in exile here in Hawke's Bay, will lead this tour into his native patch.

Occasionally there are moments when the stars align and an opportunity, that was never thought possible, presents itself. Ultra-exclusive **Treetops Lodge** sits nestled in its 2,500 acre estate south of Rotorua and has, since its establishment in the early 1990s, been ranked amongst New Zealand's very finest luxury retreats. Arguably, better known internationally than by Kiwis, **Treetops** has always seemed, perhaps partly because of its isolation, other-worldly and unattainable. Whilst the interior design style is 'luxury hunting & fishing lodge' at its best, the first impression that strikes you when you arrive

is the tranquility of the place. This is partly because the **Lodge** itself is built over a flowing stream with the gentle sounds of trickling water a comforting constant when outside. Inside, guests make use of the Great Room, library, reading room, games room and conservatory throughout the day while still feeling connected to the native bush and forest outside through huge floor to ceiling windows. Deer roam the estate and trout swim in the rivers, and you might find either on your plate at dinner time. **Head Chef Felipe Ponce** has been at the heart of Treetop's '*Estate to Plate*' food philosophy for 6 years now. Every morning, after breakfast, he sources vegetables from the estate garden and meets with the estate gamekeeper to select game ingredients for the day. Honey from the estate hives and homegrown native and exotic herbs complement other produce grown nearby. All culminating in every meal being a superb culinary experience.

As a result of the relationship we've built with the **Lodge** over the last few years, we're excited to offer members an opportunity to experience a weekend retreat to **Treetops** in Spring. Choose from either the beautifully appointed **Lodge Rooms** or the more expansive, secluded **Forest Villas** and **Valley View Villas**. All provide deliciously opulent surroundings in which to relax privately. Beyond your door, wander the

extensive network of paths through the estate, perhaps enjoy a spa treatment, have a go at archery or clay bird shooting, enjoy a game of billiards, chat to Felipe as he prepares in his kitchen or simply find a book from the library and settle into one of the many comfy armchairs inside or out. In September we'll spend two nights, across **3 Days** disconnected from the hurly-burly of our lives and reconnected with the tranquility of nature and an unhurried luxury rarely experienced. Spoil yourself and indulge all your senses by discovering the splendour of **Treetops Estate** in a once in a lifetime weekend of luxury.

What can we say about the **World of Wearable Art** show that hasn't already been said? It is simply this, a truly world-class exhibition show, created entirely in and by New Zealanders, which combines theatre, music, dance and even circus to showcase stunning pieces of 'art-to-be-worn' by designers from around the world. Without a doubt the jewel in the crown of the beautiful Hauraki Gulf is **Great Barrier Island**. This almost mystical place, 100km northeast of central Auckland, has always seemed so far away and 'other-worldly' and yet, always part of the New Zealand idyll.

These days it's easier to get there than ever before. So, we're returning to 'the Barrier' in November 2024 to spend time, over **5 Days**, with the locals to experience one of New Zea land's last untouched paradises. This time will

allow us to enjoy everything at 'Island pace'. Here's a glimpse at what's in store;

We fly first to **Auckland** and then on to **Great Barrier Island** itself. Enjoying spectacular views of the Hauraki Gulf and Waiheke Island before landing at **Claris** and being met by our host, Leigh, who'll be showing us around.

Over the next few days we'll enjoy a wonderful series of spectacular, scenic destinations like **Medlands Beach**, **The Windy Canyon**, **Pacific Ocean Panoramas** and the

'Forgotten Wharf' at Blind Bay. We'll meet the locals and hear the stories at community spots such as Tryphena Wharf, Shoal Bay Estate, The Barrier Social Club and Jacque's Haven.

We'll take a cruise aboard the launch 'Sundancer' up the island's west coast past old Kauri sawmills and deserted whaling stations, then head through the spectacular Broken Isles and Man-O'-War Passage. At Port Fitzroy we'll disembark and visit the amazing Glenfern Sanctuary, a predator-free forest, where we'll be guided around their native plant and bird reintroduction facilities and up to Sunset Rock for jaw-dropping panoramic views of Port Fitzroy Harbour itself. How about a walk along a gentle forest track bound by ancient Nikau Palms to Hot Springs

for a soak? Visit **Okupu Beach** to see some truly ancient Pohutakawa trees and take a look around an organic farm known as **Okiwi Passion**. Sharing a meal with friends is an occasion to be revered and enjoyed on 'the Barrier' too. Christine at **The Boar's Nest**, Orla at **Currach Irish Pub** and Steve at **Mulberry Grove Store & Café** are examples of locals whose larger-than-life personalities are reflected in their hospitality. All this whilst staying at Leigh's own **Sunset Waterfront Lodge**, just a few metres from the water's edge in Shoal Bay.

For many, a trip to **Great Barrier Island** is a 'bucket-list' item. The opportunity to visit this iconic maritime region of New Zealand is rare. This is the chance you've been waiting for, encompassing all the levels of Bay Tours service you've come to expect. Join us for an unforgettable odyssey around this island wonderland.

Over the years Bay Tours has taken many trips into the **South Island** hinterland. Spectacular inland destinations have lured us away from the coast. As a consequence, we have often sped past, or stayed only briefly in, towns and districts from Mid-Canterbury to North Otago that deserve more attention. Places such as Geraldine, Temuka, Waimate, Duntroon and Oamaru are gems

hiding in plain sight. These places possess rich, storied histories and conjure up images of iconic scenes and characters. Here's a brief summary of what's in store on this 8 Day tour;

- Natural wonders such as the Elephant Rocks of Duntroon and Moeraki Boulders
- Glorious gardens including Broadfields at Rolleston and Trevor Griffith Rose Garden in Timaru

### Kerren's Whisper

Our friends at the **Lake Opouahi Kiwi Creche** tell us that the creche itself is now back in a fit state to receive and rear Kiwi chicks again after significant cyclone damage. There are a number of eggs they are monitoring in the Kaweka Ranges and, all things going to plan, they expect to have a Kiwi chick

or two for us to see by **March 2024**. If you'd like to know when we have a firm date for a visit to this beautiful site, please contact us to **Register Your Interest**.

As we go to print we are in the process of confirming our first Tour Club cruise offering since 2019. And I can quietly tell you that not only is it with our favourite cruise line Celebrity Cruises, but the ship is their multi-award winning **Celebrity Edge** (pic above). To be first to get all the details, call and we'll put you on our **New Cruise Register**.

We have had to change the dates of our **Ashburton To Dunedin** tour which was originally scheduled for February 2024. The new dates are in the latter part of **November 2024**. As we go to print we haven't quite finalized every element. So, look out in this issue for **Tour No. 1121** and the new dates together with a brief summary of the content of the tour. Let us know if you'd like to be advised once we have completed pricing, and receive a more complete itinerary.
